BACK TO THE PHILIPPINES

January 2010

Dear Friends,

Next month's trip to the Philippines will be my 6th one. This time Mr. Taylor McClendon from Texas is going with me. We will meet Pastor Sandy Tadle from Mindanao on the island of Negros. Our purpose is to teach the book of Revelation during a seminar in the city of Dumaguete, and to start a Bible school in that same area. Then the 3 of us will fly to Iloilo City on the island of Panay, and do the same thing in another seminar on Revelation. Finally, we will fly to Tacloban on the island of Leyte, and give a seminar on Spiritual Warfare there. We will also be able to check on several Bible schools started last year on Leyte and Samar after our Revelation seminar at Tacloban.

The islands of Negros, Panay, and Leyte are in the central tier of the Visayan group of islands. In March 2010 our good friends Tony and Josie Muschett with Esther Roldan are traveling to the northern-most Visayan island of Mindoro (sometimes called Mindaro) with the purpose of planting a Spirit-filled Bible school there. So our plan of moving from south to north to cover the Philippine Islands is making good progress. It is possible that in 2012 we will begin to minister and plant Bible schools on the main island of Luzon, in its remote areas. Then most of the main islands will have been covered. (See page 3 for the Philippines map. The red dots are the cities to be visited on this trip.) Currently there are about 23 Bible schools operating on Mindanao, Cebu, Leyte, and Samar.

SPIRITUAL SHIFT

Since January 1st, a significant shift has taken place in the spiritual realm. A new host of demons has been released upon the earth to put Satan's plans into operation. On January 1, the Gills' website was hacked by Turkish Muslims who inserted the Turkish flag and taunting remarks. It took a few days to recover completely. On January 2 our password was stolen and we couldn't access our emails. This also took a few days to overcome, since it occurred twice within a single week. This is **WAR** and the battle has become more intense.

However, we have also noticed that God's power released through us has increased, since we are now seeing more instant healings than before. It is a sign of the times we are in that as evil intensifies, **GRACE** (empowerment) intensifies much more. This year we are entering into the finest hour for God's people! So let us rejoice and do the works of Jesus and the greater works while we can because time is so short. Nothing is impossible to us! Let us dream big and hear clearly from God, and go and do what He says.

WEBSITE

We want to let you know about two new teachings on our website, on the **Online Resources** page. Grace is talking about the healings experienced in Hungary. These are YouTube teachings, and are divided into part 1 and part 2.

MINISTRY TRAINING

Training for the ministry is being carried out at Praise Chapel in Lancaster, CA and is called **Ministry Training Ground**, or **MTG**. Currently, the Gill manuals "The Church Triumphant" and "Praise and Worship" are being taught on Tuesday and Thursday nights respectively. Going higher in the Spirit requires some inspiration, so we have hung 38 flags of the nations on the walls of the classroom and on the walls of its hallway. These represent the nations to whom we have ministered in the last 25 years. The goal of MTG is to train 5 fold ministers to go to the nations and establish permanent works there. For their first trip, they will accompany us on some of our trips, and later they can go on their own. Another goal is to bring the Body of Christ in Lancaster to maturity and unity in the Spirit with other congregations. After completing the Gill manuals by July, other Spirit-filled topics will be taught the remainder of 2010. Eventually we will have a communications center also, where we can use satellite phones and other

means of modern technology to communicate with and to teach people in remote areas overseas. This can be done currently using the Skype technology. We are already looking forward to future expansion requiring another building. Here there will also be a foreign language center and a geography center with many maps of the nations and regions to be visited. As the Lord provides, we will follow His vision for training the nations.

IMPORTANT LINKS

Remote Area Ministries is already linked with Kevin Porter's **Lightbearers Ministry** and with the Gills' **A.L. Gill Ministries**. We use the Gills' manuals as the core of our 2 year course of study for overseas Bible schools. Kevin is called as an apostle to Africa, and his ministry has the oversight of the Bible schools in Africa. We have recently linked with another ministry called **Eagles Harvest International**, which was founded last year by Tony and Josephine Muschett. According to page 1, they will plant a Bible school on the Philippine island of Mindoro in March. This will be part of the chain of Bible schools across the Philippines, which is the Lord's heart for these islands. Tony and Josephine are also teaching in the MTG classes.

Another recent link is with Kelly and Eileen Lagos, the pastors of Praise Chapel in our city. They are providing the facilities for the MTG classes and are also teaching the classes. They are in accord with us in the goals of MTG and the means to reach them. This network is very important to accomplishing the work of the Lord, both in our city and in the nations abroad.

CLOSING

We want to thank you for your continued prayer and financial support. In the midst of a down-turned economy, you have proved faithful to depend on God for resources. And you have given. We too, have renewed our faith in God's provision. And we have given also. He is interested in a final push in the nations, bringing more of His soon- to-be sons and daughters into His family and into His kingdom. We want you to know that you are greatly appreciated and are our valued friends. Send us your prayer requests and we will bring them before our merciful God.

Love,

Jack & Grace
