

Preface to Wordless Gospel book

This picture book will show you how you can join a New Kingdom of Light by knowing Jesus Christ. We were born to have friendship with our Creator and we were made in His image but some angels were kicked out of heaven because of pride. Now these fallen angels want to control us. But God made a way to come back to friendship with Him. This is the story!

- 1 - Created means to make something out of nothing. This picture shows God in heaven sitting on His throne. He spoke and all things came into being: animals, trees, sun, moon, stars, water and lakes. God has a body like ours and can see and hear us talk!
- 2 - God created Man and woman to have friendship with Him. Here God is giving man a crown which means he has authority over all that He created, the birds, fish, animals and all creeping things.
- 3 - God saw that everything He made was very good. Then he put the man and women in the garden and told Adam and his wife Eve, to not eat the fruit from one tree or they would die.
- 4 - A rebellious angel was so mad at God because he had been cast out of heaven that he came to live in a snake. This snake then spoke to Eve and lied to her that if she ate the fruit, she would be like God and not die.
- 5 - Notice the crown on the women's head. It meant that she had authority over the serpent. In fact both Adam and Eve had crowns on their heads.

Last Word

Our best aim in life is to know our Creator more deeply. He has revealed Himself in the Bible, which is the love letter He gave us. As we study His Word, we can understand and appreciate God more. He showed us His love by sending His Son Jesus who died on the cross to pay the penalty for our sins. We have all sinned.

Knowing our Creator more will help us love Him and others. He will give us the ability to love and be like Him. We will have trials, but Jesus said that we can overcome them if we surrender to Him and trust His promises. Jesus said in John 16:33, “In the world you have tribulation, but take courage; I have overcome the world.”

Love in Him,

Pastor, Grace Tuls
