### News From India

**Pastor Valerian Albuquerque** from India has been meeting with leaders of the Bible Schools, receiving reports from them and continuing to serve the Lord. We continue to lift him up in prayer and support his ministry. In spite of persecution, he has been able to accomplish much! The Bible Schools which use the Gill manuals in Hindi and the Nepali language are multiplying rapidly!! Some schools which he names Kingdom Training Centers use English.

In **February** of this years, Dr. Valerian ordained **36** pastors in Hyderabad,India  
In **March**, he ordained **18** pastors in Madhya Pradesh, India. Where he was ordained as a **Bishop in the Global Episcopal Council** of India.

In **April**, he ordained **35** pastors in Visakhapatnam with the Gill manuals in Telegu language. Then in **May**, he commissioned **85** pastors in Siliguri West Bengal  
He sends me photos of each area and thanks the Lord greatly for the prayers and gifts. Isn't this AMAZING?!

## News From Papua New Guinea

**Pastor Tom Koim** and wife from Papua New Guinea are doing well and having morning prayer daily at their church and seeing other church also do this. They attended a prayer conference in another area and a large conference celebrating their freedom by lifting up Jesus!

RAM has also been able to give to ETHNOS 360, Pastor Jonathan and Susan Kopf, who work with the Hewa tribals.

## News From Rwanda

**Dr. Gasore Constantin** has left the country with some students and has continued teaching in the states. We were with him years ago at a graduation of many students. They have multiplied but have almost no recognition from their current government even though they have diplomas.

I have encouraged them to pray for their country and declare righteousness shall reign. This planet belongs to Him! He sent His Son to establish peace.

**Isaiah 56:1,2 “Thus says the Lord, Preserve justice and do righteousness, for My salvation is about to come, and My righteousness to be revealed. How blessed is the man who does this, and the son of man who takes hold of it.”**

I have heard that our president has helped established a peace between Rwanda and Democratic Republic of Congo. Pray this will happen as a peace for the two countries and the Bible school graduates can again have favor. Dr. Gasore has worked diligently for many years teaching and also his wife teaching the women separately.

Praise God, by His grace I am doing well and am honored to be able to send your gifts to others who spread the gospel . There is so much turmoil on the earth and only having a relationship with God the Father, Jesus and the Holy Spirit will give us real peace. We can read God’s plan for the world in His inspired Word.

Love in Him,  
Grace Tuls
